HypocriteHypocrites, we're gonna get inside your mind
Hypocrites, you will pay for your crimes
Hypocrites, we're gonna bleed you dry
And your pockets will be empty but you won't know whyHypocrites, yes, we going to get inside your mind
Hypocrites, you will pay for your crimes
Hypocrites, we're gonna bleed you dry
Your pockets will be empty but you won't know whyYeah, redistribution is the name of the game
All the cash that you stashed, man, we're going to give away
Lizard man beware, this is the digital under class
Coming from places you've only seen from your carAccountant, lawyer, financial adviser
PR consultant, journalist, advertiser
We know your game and you think that we're playing it
But when the bill comes though the door, you're going to be paying itHypocrites, we gonna get inside your mind
Hypocrites, yes, you will pay for your crimes
Hypocrites, we're gonna bleed you dry
And your pockets will be empty but you won't know whyHypocrites, going get inside your mind
Hypocrites, you will pay for your crimes
Hypocrites, going to bleed you dry
Your pockets will be empty but you won't know whyHypocrite, ADF
Hypocrite, definitely without a doubt
Hypocrite, have the skills to pay the billsHypocritesAye, the word is community we shout it with impunity
It's so uncool, it's incendiary
No slogan, no sound bites, but just a long term plan
Teaching is the framework, building chains of commandSo when the lizard man sticks out his tongue
We pull out our scissors and do a hit and run
This is the digital under class
Yes, this is the digital underclassHypocrite, we're gonna get inside your mind
Hypocrite, you will pay for your crimes
Hypocrite, we're gonna bleed you dry
Your pockets will be empty but you won't know whyHypocrite, ADF
Hypocrite, definitely without a doubt
Hypocrite, have the skills to pay the bills
