

Seven Sundays

Extreme

One day
We'll find the time
To spend, together
Until then
My love
If I had one wish
It wouldn't be hard to choose
Seven Sundays in a row
'Cause that's the day that I spend with you
Someday soon
You and I
Will hold each other
Once again
My love
If I had one wish
It wouldn't be hard to choose
Seven Sundays in a row
'Cause that's the day that I spend with you
If I had one wish
(If I had one wish)
(It wouldn't be hard, yeah)
It wouldn't be hard to choose
Seven Sundays in a row
(One, two, three, four, five, six, seven Sundays)
Seven Sundays in a row
(One, two, three, four, five, six, seven Sundays)
Seven Sundays in a row
(All in a row)
'Cause that's the day that I spend with you
(That's the day, that's the day I want to spend)
If I had one wish
It wouldn't be hard
