

# Asgard

## Therion

Upon a mountain in the middle of the universe, high above the world of man, rises the abode of gods. The shining halls of the gods circle in the sky like the stars and the twelve signs of the zodiac. Only those who are brave and pure of heart will be brought up in the air to the palaces of Asgard. They will ride upon the rainbow and fade side by side with the gods on the end of days. ASGARD

- The Bifrost Bridge - Riding on the rainbow and they'll pass the gate of Heimdall

Open up Gladheim and the Walhall!

In the house of Odin the fallen one is standing

With all Einherjar, ready for war. When the seal is broken up in the midwinter sky,

all the dead will follow Odin and they're coming by the storm

in the middle of the world the rock of Gods stand high.

On the dark yule-night

The gods will descend with the dead of the brave. Take us to Walhalla

when we'll pass the gate of Heimdall.

Let us meet gods (and) follow their ride.

If you watch the night sky you will find their dwelling

in the stars they live (as the) zodiac signs. When the bridge will make a way for all the northern gods

all the dead will ride on Bifrost and they're coming by the storm

Sagas from the ancient days are written in the sky

When you read the runes again Walhalla and Asgard are reborn.
