

# Dirty Heart Dirty Mind

Larkin Grimm

I ain't going to dream no more  
Falling on my face across the floor  
One line....  
You belong to me.

Dirty face and cloudy mind  
Can't escape the sunshine  
Once I drank you in my wine,  
You devour me.

Chorus:  
Dirty heart - Dirty mind  
Stay with me - sometime

Take my life and take my heart  
Tell me we will never part  
Well I see words going wild,  
You divide me.

I ain't going to burn for you  
Hiding your face the way that you do  
Life is more than loving you, baby,  
You belong to me.

Chorus:  
Dirty heart- dirty mind  
Stay with me - sometime
