

# Every Single Day (feat. Snoop Dogg)

## Tha Dogg Pound

Advisory - the following lyrics contain explicit language:

Every single day, ooh, every single day  
I've got to have it, every single day  
I gotta have it, every single day Yo, it's on nigga, a stick up motherfucker  
"Boo ya" went the fo' fo', there goes another  
Nigga playin' the roll of the tuffy  
Ridin' me like a Huffy, niggaz that's tryin' to bust me Watch ya back 'cause I'm comin' when ya least  
Expectin' a nigga to start wreaken like a beast  
Beauty, it's my duty to gets wild  
Grips the mic and kicks back mad style One, two, three and to the fo'  
It's the K U R U P T wit tha chrome fo' fo'  
Rat tat tat tat niggaz fall to the flo'  
And Dat Nigga Daz come steppin' through the do' Uh, open up ya mind for a second, now pause, freeze froze  
Close doors, Doggy Dogg's in the motherfuckin' house once mo'  
A little taste for them niggaz that be bitin' my flow  
Yo, put ya gun away, run away 'cause I'm back  
(Got it?) Hit 'em up, get 'em up, spit 'em up, did 'em up like that  
Nigga so what the fuck can I say?  
We droppin' shit like this like every single day  
I keep a strap in my pocket when I step  
'Cause niggaz be trippin', thinkin' I'm slippin' but I ain't slip yet I ain't sayin' I'm untouchable  
But if ya fuck wit the Dogg I'ma buck ya though  
So, play me if you wanna get played  
But what about now Dat Nigga Daz 'bout to get my back blazed Creep wit me as I crawl through the hood  
Every single day, every single day  
(Every single day)  
Every single day, every single day  
Every single day, every single day  
Every single day, every single day  
Every single day, every single day I come creepin' through the fog wit my saggin' duce  
Eastside, Long Beach in a seven eight Coupe De Ville  
Rollin' wit the G folk, bumpin' in my shit and it don't quit  
Droppin' on the one motherfucker put together that's it A nigga wit a grip off that gangsta shit

Wit a fat ass sack, some Tanquerey and a bitch  
 Booty hole naked on my flo'  
 Give it to the dizzo, let the bitch go 'Cause bitches ain't shit and I don't love that hoe  
 All I be smokin' is that bomb ass chronic  
 And in a minute I'm feelin' the bionic See, I come back like a champ, Tyson hit hard as Snoop  
 He gonna be rockin' on the mic when he lit it up, hit' em wit the Pound  
 Blood, flying through the sky like a dove  
 Gotta stay above, H O E to the S N double O P, D O double G Pass the number one spot like a ball  
 From the the doc to the motherfuckin' Dogg  
 Yiggy yes y'all 'cause I fades 'em all  
 When I'm steppin' through the fog and creepin' through the smog I gotta whole army of forts, I gotta whole  
 brigade of rhymes  
 In a mental state, time to time, I'm engaged in the crimes  
 Whether in a fix, my experience leaves me to notice  
 In the mix, no negligence, have you the audacity To come blastin' me? Actually I cause catastrophes  
 Down at blast for me, I'm catastrophic, the shit you must do  
 Shaky ass nigga, now how the fuck can we trust you?  
 We're the cashy, ashes to ash to ashy, dust to dust I bust when I'm here when heat flashes  
 My heat sends heat strokes, my scraps put the senorita  
 Make niggaz choke like inhalin', end up the smoke  
 So take one toke off the automatic, I got stashed in my coat Under pressure, I come to test ya, extra  
 Extraordinary, rough texture, rough rhymin' texture  
 Expect a next, a hittin' balls to hard balls subject ya  
 The romantic buildin' is the beginnin' of ya destiny  
 Destined to fall, praise to me and D A Z  
 We mash, leave no flaws, we break jaws  
 Smoke all the chronic wit Daz and my nigga Doggy Dogg Every single day, every single day  
 Bitches on our nuts like every single day  
 Every single day, every single day  
 Bitches on our nuts like every single day Every single day, every single day  
 Smokin' on the chronic like every single day  
 Every single day, every single day  
 Bitches on our nuts like every single day Every single day, every single day  
 Every single day, every single day  
 Every single day, every single day  
 ...
