Here Comes Your Man

Meaghan Smith

Outside there's a boxcar waiting
Outisde the family store
Out by the fire breathing
Outside we wait till face turns blue
I know the nervous walking
I know the dirty beard
Hangs by the boxcar waiting
Take me away to nowehre plains
There is a wait so long (so long, so long)
Never wait so longHere comes your man
Here comes your man
Here comes your man
Here comes your manBig shake on the boxcar moving
Big shake on the land that's falling down
Is a wind makes a pond stop blowing
A big big stone fall and break my crown
There is a wait so long (so long, so long)
Never wait so longHere comes your man
Here comes your man
Here comes your man
Here comes your man
Hey heres your man
Here comes your man
Here comes your man
Here comes your man
Here he comes
Here comes your man
Here comes your man
Here comes your man
Here comes your man
Here he comes, your man
Here comes your man
Hey here's your man
Here he comes
