

You Got To Me

Neil Diamond

Mama told me that some day it would happen
But she never said that it would happen like this
Papa said, "Look out, some girl'll catch you nappin'
Some little girl will get to you with her kiss"

You got to me

You brought me to my knees
Never thought I'd say please, girl

You got to my soul

You got control

You got to me, you got to be mineUsed to slip though every girl's hand like water

There never was one who could ever tie me down

Straight ahead and steady as Gibraltar

'Til you brought me tumblin' to the groundYou got to me

You brought me to my knees

Never thought I'd say please, girl

You got to my soul

You got control

You got to me, you got to be mine
