

Lock Jaw (Ft. Kodak Black)

French Montana

My nigga on the road
They never told me
Montana It be hard to watch the cash when the bands keep droppin'
Got the big 40 on me so my pants keep fallin'
It be hard to understand me 'cause my jaw keep lockin'
I ain't even tryna talk 'cause my jaw keep lockin'
She ain't tryna be a freak but them bands keep poppin'
Still caught up in the streets
And the feds still knockin'
It be hard to understand me my jaw keep lockin'
It be hard to understand me 'cause my jaw keep lockin'
Bite down, bite down
It'd be hard to understand me 'cause my jaw keep lockin'
Bite down, bite down
It'd be hard to understand me 'cause my jaw keep lockin' I chew your lil' mup, I boot a nigga up
Got the snipers in the dually truck and we toooly'd up
I be tryin' change my life , but a monkey on my back
I've been rollin' all night, I got a monkey on my back
(Skrrr, skrrr)
All about the mula
Throw a hundred chains on, tryna cool her
I know a nigga blessin,' pray to God
Soon as the flow hit my feet I'm getting high
Eyes bowleg, lookin' crooked in the face
She keep lookin' in her drink
Probably think the liquor laced
Nah bitch, I'm 1K
And I'm gonna keep it one-hund' though
Biting down, 'bout to rip my tongue off It be hard to watch the cash when the bands keep droppin'
Got the big 40 on me so my pants keep fallin'
It be hard to understand me 'cause my jaw keep lockin'
I ain't even tryna talk 'cause my jaw keep lockin'
She ain't tryna be a freak but them bands keep poppin'
Still caught up in the streets
And the feds still knockin'
It be hard to understand me my jaw keep lockin'
It be hard to understand me 'cause my jaw keep lockin'
Bite down, bite down
It be hard to understand me 'cause my jaw keep lockin'

Bite down, bite down
 It be hard to understand me 'cause my jaw keep lockin' Slidin' in the Cutlass and you know I paint it candy
 Then I pulled up in a bucket but I used to want to a Hemi
 And I'm pouring up the 'round then I'm sippin' on Remy
 I ain't fuckin with that white shit I'm throwed off Henny
 Pull up to the back, black zac
 Chief rockin'
 And the Feds keep lurkin' 'cause the boys keep talkin'
 Ritz Carlton
 Ran off on the plug about forty times
 Forty niggas strapped, we the 49'ers
 Bite downnnnn, Karlton Hines
 Got two twig bitches doing 69
 Jump off to the mula and you know that
 50 chains on, diamonds flashing like Kodak
 I remember toting .38, now I got a semi
 Could have been had a baby K
 But I wasn't ready
 Shawty say she like my Larry pack
 Thought I went to Cali
 Nah baby I ain't want the Wap, I just want the Fetty It be hard to watch the cash when the bands keep droppin'
 Got the big 40 on me so my pants keep fallin'
 It be hard to understand me 'cause my jaw keep lockin'
 I ain't even tryna talk 'cause my jaw keep lockin'
 She ain't tryna be a freak but them bands keep poppin'
 Still caught up in the streets
 And the feds still knockin'
 It be hard to understand me my jaw keep lockin'
 It be hard to understand me 'cause my jaw keep lockin'
 Bite down, bite down
 It be hard to understand me 'cause my jaw keep lockin'
 Bite down, bite down
 It be hard to understand me 'cause my jaw keep lockin' (Ay, ay ay, ay, ay ay ay, skrr, ay, ay ay ay, ay, ay ay
 Bite down, bite down
 It be hard to understand me 'cause my jaw keep lockin'
 Bite down, bite down
 It be hard to understand me 'cause my jaw keep lockin'
 Ay, ay ay ay)
