I Love A Rainy Night

Eddie Rabbitt

Well, I love a rainy night

I love a rainy night

I love to hear the thunder

Watch the lightning

When it lights up the sky

You know it makes me feel goodWell, I love a rainy night

It's such a beautiful sight

I love to feel the rain on my face

Taste the rain on my lips

In the moonlight shadowShowers washed all my cares away

I wake up to a sunny day'Cause I love a rainy night

Yeah, I love a rainy night

Well, I love a rainy night

Well, I love a rainy night

Ooh oohI love a rainy night

I love a rainy night

I love to hear the thunder

Watch the lightning

When it lights up the sky

You know it makes me feel goodWell, I love a rainy night

It's such a beautiful sight

I love to feel the rain on my face

To taste the rain on my lips

In the moonlight shadowsPuts a song in this heart of mine

Puts a smile on my face every time'Cause I love a rainy night

Yeah, I love a rainy night

Ooh, I love a rainy night

Yeah, I love a rainy night

Ooh oohShowers washed all my cares away

I wake up to a sunny day'Cause I love a rainy night

Yeah, I love a rainy night

Well, I love a rainy night

I love a rainy nightWell, I love a rainy night

You can see it in my eyes

Yeah, I love a rainy night

Well, it makes me highOoh, I love a rainy night

You know I do, yeah, yeah

I love a rainy night love a rainy night

You can see it in my eyes

I love a rainy night
Makes me high
Well, I love a rainy night
And I love you tooWell, I love a rainy night
Yeah, I love a rainy night
Well, I love a rainy night
I love a rainy night
