

Wind Beneath My Wings

[Shirley Bassey](#)

It must have been cold there in my shadow
To never have sunlight on your face
You were content to let me shine
You always walked a step behind

I was the one with all the glory
While you were the one with all the strength
Only a face without a name
I never wants heard you complain

Did you ever know that you're my hero
And everything I would like to be
I can fly higher than an eagle
'Cause you are the wind beneath my wings

It might have appeared to go unnoticed
But I have it all here in my heart
I want you to know, I know the truth
I would be nothing with out you

Did you ever know that you're my hero
And everything I would like to be
I can fly higher than an eagle
'Cause you are the wind beneath my wings

Did you ever know that you're my hero
And everything I would like to be
I can fly higher than an eagle
'Cause you are the wind beneath my wings
You are the wind beneath my wings
You are the wind beneath my wings
