

Little Sister

Dwight Yoakam

Little sister don't you, little sister don't you
Little sister don't you kiss me once or twice
Tell me that it's nice and then you ran in your house
Oh little sister don't you do what your big sister done Dated your big sister last night, took her out to the show
I went for some candy along came Jim Dandy
And they slipped right out the door Well little sister don't you, little sister don't you
Little sister don't you kiss me once or twice
Tell me that it's nice and then you ran in your house
Oh little sister don't you do what your big sister done I used to pull down on your pigtales
Hey girl and pinch your turned up nose
But baby you been growin' and lately it's been showin'
From your head down to your toes Little sister don't you, little sister don't you
Well little sister don't you kiss me once or twice
Tell me that it's nice and then you ran in your house
Oh little sister don't you do what your big sister done Every time I see your sister with somebody new
Mean and she's evil like a little ol' boll weevil
And I'll try my luck with you Little sister don't you, little sister don't you
Little sister don't you kiss me once or twice
Tell me that it's nice and then you ran in your house
Oh little sister don't you do what your big sister done Oh little sister don't you do what your big sister done
Yeah little sister don't you do what your big sister done
