Strange Little Girl

The Stranglers

One day you see a strange little girl look at you
One day you see a strange little girl feeling blue

She'd run to the town one day
Leaving home and the country fair
Just beware
When you're there
Strange little girl

She didn't know how to live in a town that was rough
It didn't take long before she knew she had enough
Walking home in her wrapped up world
She survived but she's feeling old
And she found all things cold

Strange little girl
Where are you going?
Strange little girl
Where are you going?
Do you know where you could be going?

Walking home in her wrapped up world
She survived but she's feeling old
Cause she found all things cold

Strange little girl
Where are you going?
Do you know where you could be going?
