

Time Is On My Side

Beverley Knight

Time is on my side (yes it is)

Time is on my side (yes it is)

Now you always say that you wanna be free

Youâ€™ll come running back

(yeah I said you would baby)

youâ€™ll come running back

(like so many times before)

youâ€™ll come running back to me..

Time is on my side (yes it is)

Time is on my side (yes it is)

Now youâ€™re searching for good times

But just wait and see

Youâ€™ll come running back

(I wonâ€™t have to worry no more)

youâ€™ll come running back

(spend the rest of my life with you baby)

youâ€™ll come running back to me..

go ahead baby, go ahead baby,

you go ahead and light up the town

and baby, do anything your heart desires, remember Iâ€™ll always be around

and I know, I know, like I done told ya so many times before

you gonna come back baby, you gonna come back baby

knocking at my door

Time is on my side (yes it is)

Time is on my side (yes it is)

See I got the real love. The kind that you need

Youâ€™ll come running back

(yeah I said you would baby)

youâ€™ll come running back

(I always said you would)

youâ€™ll come running back to me..

time, time time is on my side (yes it is)

time, time time is on my side (yes it is)

time, time time is on my side (yes it is)
time, time time is on my side (yes it is)
