Oh now, yeah, yeah
Hey, hey, hey, hey, yeah
I see you lyin' here
You're so close, you're so nearCausing sensations rollin' through me
Comes on strong, feels just like a spell
Sensations rollin', turnin' from me to you
Causing this aura of heat to swirlYour lips, your undulating hips
Squeeze me, oh so tight
Fulfill me through the nightCausing sensations rollin' through me
Comes on strong, feels just like a spell
Sensations rollin', turnin' from me to you
Causing this aura of heat to swirlYeah
(Comes on strong)
Yeah baby, baby, baby, baby, baby
(Comes on strong)
Don't you know my blood is raging?(Comes on strong)
Darling, darling, darling, darling
(Comes on strong)
I'm tired of all my failings
Bring me close and burn, burn, burnHeat gives way to sweat
My body's soaking wet
We slide and slip from hip to lipCausing sensations rollin' through me
Comes on strong, feels just like a spell
Sensations rollin', turnin' from me to you
Causing this aura of heat to swirlYeah, yeah, yeah, yeah
Oh baby, baby, you'll always make me hot
Come on and gimme all you've gotYeah, yeah, yeah I, yeah, yeah
I, I, I, yeah, yeah, yeah, yeah
