Microphone

Darin

Hit the lights
Start the show
Hear my first note in this microphone
Start the band
Pass the throne
Once I shed my soul in this microphone
In this microphone
In this microphone
In this mic
In this mic
In this microphone
Standing in the center of attention
Floating ten feet off the ground
The world belongs to me
It's time
It's time for some fucking recognition
Yeah its time to rock this town
It's here right underneath
My feet
I'll take a breath
I'll break the shell
It's the life or death
Hit the lights
Start the show
Hear my first note in this microphone
Start the band
Pass the throne
Once I shed my soul in this microphone
In this microphone
In this microphone
In this mic
In this mic
In this microphone
I can feel the transformation
When I break out of my shell
I become someone else
Myself

Tired of being something that I'm just not

Only this can set me free
The spot belongs to me
It's mine
I'll take a breath
I'll break the shell
It's the life or death
Hit the lights
Start the show
Hear my first note in this microphone
Start the band
Pass the throne
Once I shed my soul in this microphone
In this microphone
In this microphone
In this mic
In this mic
In this microphone
In this microphone
In this microphone
In this mic
In this mic
In this microphone
Yeah
Oh oh oh oh oh oh oh oh yeah oh yeah oh oh
Yeah yeah yeah yeah yeah yeah yeah oh oh oh oh
In this microphone
In this microphone
In this mic
In this mic
In this microphone
In this microphone
In this microphone
In this mic
In this mic
In this microphone
