Not Going Home

Great Good Fine Ok

Any matter within my heart
Tried hard to find my part in all thisYou'll push me away
I'm sure you're sorryFind a way and take a chance to find your love
I'm the one to make a big deal out of nothingWhere's the happy in the middle
Where's the moon when I shine
I remembered if you noticed, that I'm not going home
Every time I ever fought it
Every time I ever cried
I remembered if you noticed, that I'm not going home
And I never gonna settle if I'm waiting
And I'm never gonna roll the dice for a chance to take the whole ride
Every time I ever fought it
Every time I ever cried
I remembered if you noticed, that I'm not going homeAnd I never get on my page
Never fighting with all that rage and sorrow
And I, will get it in different ways
Find the good in all my days and tomorrowAnd I never gonna settle if I'm waiting
And I'm never gonna roll the dice
And I'm never gonna see the lightI'm the one to make a big deal out of nothingWhere's the happy in the middle
Where's the moon when I shine
I remembered if you noticed, that I'm not going home Every time I ever fought it
Every time I ever cried
I remembered if you noticed, that I'm not going home
And I never gonna settle if I'm waiting
And I'm never gonna roll the dice for a chance to take the whole ride
Every time I ever fought it
Every time I ever cried
I remembered if you noticed, that I'm not going home
