Dark Circles

Maika Maile

(Oh)
Dark circles 'round my eyelids
I can barely pull them apart
Itâ€™s ringing like a siren
I got a freight train for a heart
I forgot how to remember
And I donâ€™t know where to start
I donâ€™t know where to start
(Ooh)

Iâ€™m a step from being blasted
And a step away from being bored
When these cigarette ashes
Cloud up like a thunderstorm
You told me never say never
But now I donâ€™t know where you are
I donâ€™t know where you are

Dark Circles
No sleep
Iâ€™m thinking of you
And me, together
These Dark Circles
Wonâ€™t leave
Theyâ€™re with me eternally, forever (forever)

Vision got a little hazy
All the hours passed in slow-mo Though I shouldnâ€™t let it faze me
I get the feeling that I lost control Iâ€™ve been distant more than ever
With all my cheap thrills on the low
Oh, cheap thrills on the low

Dark Circles
No sleep
Iâ€™m thinking of you
And me, together
These Dark Circles
Wonâ€™t leave
Theyâ€™re with me eternally, forever

And Iâ€™m drowning in this sorrow
I try to clean the slate
But my chest caves in
And skips a beat
At the sound of your name

Goddamn these dark circles
No sleep
Iâ€™m thinking of you
And me, together, forever (Oh, oh)

(Forever) (Oh, oh) (Ah, Ah, Ah) (Oh, oh) (Ah, Ah, Ah)

And Iâ€™m drowning in this sorrow
I try to clean the slate
But my chest caves in
And skips a beat
At the sound of your name

Goddamn these dark circles
No sleep
Iâ€™m thinking of you
And me, together, foreverï»¿.
