Waiting for the rain  
I'm not holding back for anyone  
Waiting for the rain  
I'm not holding back for anyoneI've been holding forever  
Waiting for the rain to come  
Who am I to just surrender  
I'm not holding back for anyoneI've been holding forever

Who am I to just surrender  
I'm not holding back for anyoneI've been holding forever
