

Inevitable

Anthony David

I feel like Iâ€™ve been looked over before
I feel like Iâ€™ve been knocked down and ignored
Sometimes I have been a little bit unsure
But all the time Iâ€™ve been good enough for more
Oh, I feel like somethings trying to keep me out
Trick my confidence, fill my mind with doubt
But when I get pushed
Thatâ€™s when I push back
Every action gets a reaction

You only make it hard
You only making me work harder
Better
That only means Iâ€™m getting better
Stronger
And Iâ€™m only getting stronger
Itâ€™s inevitable
Yeaah
Smarter
Taking my time and working smarter
Harder
That means Iâ€™m only coming harder
Longer
Itâ€™s okay if it takes a little longer
Itâ€™s inevitable

I feel like Iâ€™ve been misunderstood
Nope, I donâ€™t complain, maybe I should
Sure I havenâ€™t been everything I could
But all the time Iâ€™ve been bona fide
Oh, oh, oh
I come in for my righteous space
I donâ€™t have the right not to be great
But what they donâ€™t know is how much I love the chase
You canâ€™t call it work when itâ€™s passion

You only make it hard
You only making me work harder
Better

That only means Iâ€™m getting better
Stronger
And Iâ€™m only getting stronger
Itâ€™s inevitable
Yeaah
Smarter
Taking my time and working smarter
Harder
That means Iâ€™m only coming harder
Longer
Itâ€™s okay if it takes a little longer
Itâ€™s inevitable

You canâ€™t stop me
Wonâ€™t out work me
Canâ€™t out think me
Wonâ€™t discourage me
You canâ€™t turn me
You canâ€™t move me
What donâ€™t kill me
Only makes me stronger
