

The Prophet

Soulfly

Time has arrived, we see all the signs
Revolution now is the time
Revelation soon to arise
Tribulation means it's the time send out the soldiers Their shield is their souls
Revolution comin' unfold
Revelation comin' untold
The Prophet born to the world Life, I know our life goes way out beyond
I leave you fire to carry on
Salvation coming to those
With the most high in their souls Here comes the Prophet
(Time has arrived)
The Prophet
(Revolution, revelation)
Here comes the Prophet
(Time has arrived) Rise above and beyond the sky
You know that we got to fight
The struggle to survive
Fuck you, this is my life Here comes the Prophet
(Time has arrived)
The Prophet
(Revolution, revelation)
Here comes the Prophet
(Time has arrived) Um, dois, tre's, quatro The Prophet
(Mais forte do que a morte)
The Prophet
(Stronger than it all)
The Prophet
(Incomprehensible)
The Prophet
(Mais forte do que a morte)
The Prophet
(Stronger than it all)
The Prophet
(Incomprehensible)
The Prophet
(Mais forte do que a morte)
The Prophet
(Stronger than it all)
