

Hit or Nah (feat. French Montana)

Rayven Justice

Can I fuck her now?
I wanna get with you, I wanna get em drow
I wanna show you some
Come with me girl don't be scared
I wanna show you something
Come over here Girl don't be shame, I wanna see what youve got
I stand on your ass, you better go down
Come guess with me
Come grab with me
Shake that ass for G
I'm just saying
You stop play what are you made of?
Let me show you what you missing
Yopu aint neevr have one real
You're fucking with a nigga Baby is something missing I'm just saying
I just thought start asking why are you playing Can I fuck her now?
I wanna get with you, I wanna get em drow
I wanna show you some
Come with me girl don't be scared
I wanna show you something
Come over here I see you the club with your friends
So I'm astay it localet
Girl that ass poaking out
So whta they located
Show you real nigga some
See that youve been running
You aint gotta run no more
I promise you gonna love it
The way I'm touching your body
Gort you feeling more naughty
And you're not afraid and stop playing Baby it's something that I just saying
I just stop asking why you playing
Can I fuck her now?
I wanna get with you, I wanna get em drow
I wanna show you some
Come with me girl don't be scared
I wanna show you something
Come over here
Can I fuck her or now

Doing all nighth, can I you make a shake like that
Taking to my house
Fuck you on the cough
Go to the bed, can you give me hit
Cuz you kick a nigga assCan I fuck her now?
I wanna get with you, I wanna get em drow
I wanna show you some
Come with me girl don't be scared
I wanna show you some right over here
Can I fuck or no?
