

I'm Not the Man for You

[Rebel Souljahz](#)

(Talking)

You know it's hard to explain my true feelings for you when I thought about it time after time and feel like this is the best way to express it so I dedicate this song....

What do you do when the girl that you're with
isn't the one that you loved
and what do you do
when the other girl
Is all you been thinking of?
So I can I say I love you
when the words I say isn't true
I'm sorry it happened this way...
I'm not the man for you

I wear a mask everyday
to hide the pain that I have inside
I walk with my head down
I hold in my pain Girl, I even swallow my pride
So how can I look into your eyes
when the feeling I have isn't true
Sorry it happened this way...
I'm not the man for you

I can't go on anymore
This lying have to come to an end
'Cause I'm in love with another girl
I'm thankful for those times that we've spent
So I won't say I love you
Cause I know what I say isn't true
sorry it happened this way...
I'm not the man for you
I don't know what I did wrong
So i give you this song
