Spoken

[55 Escape](#)

[VERSE]
Can I speak my mind
Something spoken to you
Can I run from the time
Broken lives escapedOnce you cross the line
There's no turning back
I can show you the way
I will kill my past[BRIDGE]
I am trying to (I AM TRYING TO)
Getting close and you (GETTING CLOSE AND YOU)
You are drifting away from me
Once I looked for you (ONCE I LOOKED FOR YOU)
I've been leading to (I BEEN LEADING TO)
But I'm not getting trough to you[CHORUS]
Cause you are
The only soul in me
And I will
Find an answer[BRIDGE]
(Gotta get you back)
(I can see right trough you)
(Until my eyes are closed)
(And I shut you out)
[x2 times][VERSE]
Can I speak my mind
Something spoken to you
I can show you the way
I will kill my past[BRIDGE]
I am trying to (I AM TRYING TO)
Getting close and you (GETTING CLOSE AND YOU)
You are drifting away from me
Once I looked for you (ONCE I LOOKED FOR YOU)
I've been leading to (I BEEN LEADING TO)
But I'm not getting trough to you[CHORUS]
Cause you are
The only soul in me
And I will
Find an answer
Gotta get to you!
I gonna bring you back to me!

[x8 times][CHORUS]
Cause you are
The only soul in me
And I will
Find an answer(Gonna get you back)
(I can see right trough you)
(Until my eyes are closed)
(And I shut you out)
