

Let's Stay Together

James Sampson

I'm, I'm so in love with you
Whatever you wanna do
Is alright with me
Cause' you make me feel
So brand new
And I want to spend
My life with you

Let me say that since, baby
Since we've been together
Loving you forever
Is what I need
Let me be the one
You come running to
I'll never be untrue

Oh baby let's
let's stay together
Loving you ever (Wherever)
Wether times are good or bad
Happy or sad
Come on, let's stay together
Wether times are good or bad
Happy or sad

Why somebody,
Why people break up
And turn around and make up
I just can't see
Cause' you never knew
That to me
Would you baby
Staying around you
Is all I see
And is what I wanna do

Let's we all are to stay together
Loving you ever (wherever)
Times are good or bad
Happy or sad

Come on you
We are to stay together
Loving you ever
Times are good or bad
Happy or sad
And if you're letting me
You can set me free
(good and bad, happy or sad)

Let's let's stay together
Said I'm loving you
Times are good or bad
Happy or sad
Come on you
Let's stay together
Loving you ever
Wether times are good or bad
Happy or sad
Said I'm loving you baby
Good times
Loving you wherever
