Psalm 9

Trouble

The Lord shall endure forever
For He hath prepared His throne for judgment
And they that know Thy name will put their trust in Thee
For Thou Lord have not forsaken those that seek TheeI will praise Thee O Lord
I will sing praise in Thy name
Don't forget the cry of the humble
Have mercy on mePut them in fear O Lord
That the nations may know
Let them realize
They are just men, just menThou hast rebuked the heathen
Thou hast destroyed the wicked
Won't forget the cry of the humble
Have mercy on mePut them in fear O Lord
That the nations may know
Let them realize
They are just men, just menThe Lord shall endure forever
For He hath prepared His throne for judgment
And they that know Thy name will put their trust in Thee
For Thou Lord have not forsaken those that seek TheePut them in fear O Lord
That the nations may know
Let them realize
They are just men, just menThe Lord will be a refuge
For the oppressed
A refuge in times of troubleWe are not holy men
But at least we try
Try to serve as best we can
Sometimes I'd like to dieWhy must you be so angry
Treat each other wrong
The poor will not be forgotten
God loves us all
