

Take Me In Your Arms And Love Me

Gladys Knight

Ooh...ooh...

The moon above is shining bright
Come on, boy, the time is right
Here I am (Here I am)
Take me in your arms and just love me, ooh

Theres a mist of ecstasy
Thats flowing over me
Here I am (Here I am)
Take me in your arms and just love me, oh, baby

My love is new, my love is sweet
Nows the time that Ill be sweet
Hold me, boy, dont hesitate
I need you now, dont make me wait

Youre the one that I adore
Tell me what are you waiting for
Here I am (Here I am)
Take me in your arms and love me, ooh

Boy, Im hungry for your love
Give me what Im in need of
Here I am (Here I am)
Take me in your arms and just love me

Oh, baby, come lets share the joy and splendor
Of this matter warm and tender
Hold me tight, kiss me long
Make this night one sweet song

(Love me, love me) Ooh, sugar

My eager heart is pounding fast
Dont lose the feeling, make it last
Here I am (Here I am)
Take me in your arms and just love me

Oh, baby, take me higher with the touch

That thrills me darling, oh, so much
Here I am (Here I am)
Take me in your arms and love me, baby, baby

This feeling is strong hard
Any second now Ill explode
Nows the time, nows the time
Take all of this love of mine
Love me, love me, love me, love me, come on and love me

Ill be true to you
Do what you want me to
Take me in your arms, take me in your arms and love me, oh, baby
Ill be true to you
And do what you want me to
Take me in your arms, take me in your arms and love me, baby, baby, baby

Ill be true to you
And do what you want me to
