

# Make Time for Love

[Keith Washington](#)

I'm comin' home early today  
I've been goin' crazy, no, I just can't wait  
I'm gonna love you 'til you cannot take no more  
Tonight I'm yours and I'm ready to explore  
Lately, I've been working overtime  
So when it comes to money, we'll be alright  
I make more than enough  
Let's make time for love, for love  
A card to say I love you so  
For no special reason, just to let you know  
And maybe I can find a little band of gold  
I'm comin' home, gonna love you all night long  
I got your favorite flowers by my side, baby  
I've even got a bottle of our favorite wine  
Tonight is for us, let's make time for love  
Yeah, for love, for love, make time, fine time  
Seems like we're always in a hurry  
Love's always the sacrifice  
Tonight ain't nothin' gonna tear us apart  
I'm ready to start and I ain't gonna stop  
It may get crazy, the times may get rough, yeah  
We've got a lot of love, so don't let it go  
Tonight I'm gonna take you into overload  
You'll never know, we just might explode  
Tonight the stars speak of love  
And since we love each other  
I think that's reason enough  
To make time for love  
Love me, baby  
I said all I wanna do is make sweet love to you  
Come here, baby, I'm willin' and I'm able  
To love you the way you need to be loved  
Come on, baby, take your flowers  
Let's wine and dine one another  
Love each other and make time for love  
Right here and now, right here and now  
Baby, can we make time?  
Spend time for love  
For love
