My Egyptian Lover

Nadia Oh

My Egyptian lover...

I see your girl
But she don't do it like me
She's not that type
I see it in your eyes
You need a freak
Someone to keep your secret
A girl like me (Uhuh)
Who knows what's on your mind

You know I'm hot (Ow!)
I see you looking at me
Stop wasting time (Yeah)
And come with me tonight
Stop spending money on me
Make up your mind
If you're coming home with me
You're running out of time! (Ahh)

[Chorus:]
My egyptian lover
(My egyptian lover)
There is no other
(My egyptian lover)
My egyptian lover
(My egyptian lover)
There is no other
(There is no other!)

I see you boy
But you don't holla at me
I think you're shy
I'll show you what to do
I'll be your dog (Woof)
Come to you when you call me
Just close your eyes (Uhuh)
And dance with me tonight

You make me hot (Ow!)

You got me goin' crazay
You're on my mind (Yeah)
And make my heart go boom
Stop acting shady on me
And wasting time
Then you can take me on your magic carpet ride (Aohh!)

[Chorus: Repeat 2X]
