

Get Yo Ride On

Mack 10

Do some shit with my niggas from the CPT, ha ha
You ready Eiht?
Yeah, c'mon I was born to ride, bangin', pack heat
Got turned out early by them scandliss freaks
Addicted to crime so I stay in the mix
With a love for hoochie chicks and pullin' jewelry licks
Moms said, Mack, baby watch for danger
I said, momma don't you know I'm a real gangbanger?
I can't switch over night and be good
And I'll be damned if a nigga turned his back on the hood
So I walked out the door, hopped in the regal
Twistin' tripple gold with the all black eagle
Got a deuce fired at scoob's, I need a gat
So I stopped and got the tech from my G homie Wreck
He said, Mack, don't slip dog, you gotta stay heated
And here's the extra clip incase you might need it
Get the eighty eight skate, ang get your slide on
Throw the hoo bang plack in the back and your ride on
Ride for me, I'ma ride for you
You hoo bang, I hoo bang, so we all a crew
Get yo ride on, get yo slide on, who the best
Nobody rides like these killas from the west
Ride for me, I'ma ride for you
You hoo bang, I hoo bang, so we all a crew
Get yo slide on, get yo ride on, who the best
Nobody rides like these killas from the west
1, 2, 3, and to the 4
Eazy muthafuckin' E with a chrome to your dome
Cruisin', in my 6, 4 rag top
I got a lot of juice, a lot of fuckin' block
Now when I hit that switch I'm bouncin'
More bounce to the ounce and I'm clownin'
Keep the gat in my lap 'cuz I'm fully strapped
For the car jackers, but no haps 'cuz I pack a
Tech 9, plus a A-K 47
Send a one way ticket to my hell or maybe heaven
Peep, nigga I don't sleep
Bury muthafuckas in the concrete
You try to creep kinda slow in a Astro
But I'm peepin' niggas out in my left window
So I blast, and I blast, so I blast no more
Yo, they call me motherfuckin' John Doe
Ride for me, I'ma ride for you
You hoo bang, I hoo bang, so we all a crew
Get yo ride on, get yo slide on, who the best
Nobody rides like these killas from the west
Ride for me, I'ma ride for you
You hoo bang, I hoo bang, so we all a crew
Get yo slide on, get yo ride on, who the best
Nobody rides like these killas from the west
Real thugs roll 'cuz the Westside's sick

Which enemy depicts to catch the 9 clip
Slick, but not like Rick, the gang story
G's kill and ain't shit funny like Joe CorryDon't make me laugh 'cuz I'm on the wrong the path
Catch the blood bath, it's the aftermath
Slang strike to make money, now ain't that simple?
That silly nigga's wearin' vest's but we aim for the templeWatch my nigga's back, who sacked the yayo
Keep the calico with extra ammo
So and so gets blasted, to the casket
Never seen these westside G's face, we masked itYa'll best be defeat and be discreet
Catch the hot heat from across the street
Take me in the dump schools that, wanna push me
Retaliation, straight better than hitten' pussyRide for me, I'ma ride for you
You hoo bang, I hoo bang, so we all a crew
Get yo ride on, get yo slide on, who the best
Nobody rides like these killas from the westRide for me, I'ma ride for you
You hoo bang, I hoo bang, so we all a crew
Get yo slide on, get yo ride on, who the best
Nobody rides like these killas from the westUgh, MC Eiht in the muthafuckin' house
