Scrood Bi U

Lords of Acid

I just don't know what to do
I got my boyfriend but I want you too
Don't wanna hear about fidelity
When I need that feeling deep in meChorus:
I wanna be screwed by you
but anyone else will do
I wanna be screwed by you and you and you and you....!I feel it now, all through the day
I have to try it, in every way
Yes, I'll have it long and tough
I don't mind if it's hard and roughChorusI just don't know what to do
I can't help it, just need to screw
Doing it makes me blow my top
Once I start I can never stopChorus
