

# Scrood Bi U

## Lords of Acid

I just don't know what to do  
I got my boyfriend but I want you too  
Don't wanna hear about fidelity  
When I need that feeling deep in meChorus:  
I wanna be screwed by you  
but anyone else will do  
I wanna be screwed by you and you and you and you....! I feel it now, all through the day  
I have to try it, in every way  
Yes, I'll have it long and tough  
I don't mind if it's hard and roughChorusI just don't know what to do  
I can't help it, just need to screw  
Doing it makes me blow my top  
Once I start I can never stopChorus
