

My Best Friend (Miko)

Roxanna

My beautiful friend
If words could say how much you mean
The world to me
Love all that we share
You give to me unconditionally
With you, there by my side
The light in my life
You are, you are, you are, you are
The one, the one, the one, the one
Who's always there for me
The best of my memories
We laugh, we cry, we fight, we stay
Together every step of the way
There's no one else
Who knows me like you do
You are my best friend
My best friend...
Time passing us by
So many that have come and gone
But you're still to me
The best, day of my life
When we first met and you just know
That all, all of our life
We'll be together Miko, Miko My love...
My best friend
