Only Human

The Parlotones

Advisory - the following lyrics contain explicit language:

And if the karma patrol
Take control
I'm gonna be in trouble
And if the moral police
Asks for receipts
I am gonna burst their bubble
Richen, smidgen Muddy, smutty
Who is your god?
I'm not the type to pray, except when I fall
I'm only human after all
I played the devil's advocate
I played into his hands
I played the fool,
I played the fire
I played the victim's hand
And if you bump into the devil
Tell him I understand
Rather the devil you know
Than the devil you don't
I hope you can understand
I'm only human after all
I'm only human after all
I'm only human after all
I fell into the trap
I fell into her lap
I ate the apple of lust lust lust
the apple tree of lust
Richen, smidgen Muddy, smutty
Who is your god?
I'm not the type to pray, except when I fall
I'm only human after all
I played the devil's advocate

I played into his hands I played the fool,
I played the fire I played the victim's hand
And if you bump into the devil
Tell him I understand
Rather the devil you know
Than the devil you don't
I hope you can understand
I'm only human after all
I'm only human after all
I'm only human after all
I played the devil's advocate
I played into his hands
I played the fool, I played the fire I played the victim's hand
And if you bump into the devil
Tell him I understand Rather the devil you know
Than the devil you don't
I hope you can understand
I'm only human after all
I'm only human after all
I'm only human after all
