Say No More
Music and Lyrics by
Tommy Chanthasene, Earl Powell,
and Earl Robinson 2003(Verse 1)
Time can be tough,
The world can get rough,
But if you need someone, I'll take you far away.I found my best friend,
I will cherish till the end,
With just a single touch, you take my breath away.(Pre-Chorus)
There's no where I'd rather be than beside you,
Watching you sleep at night.
Caressing your body, holding you so tightly,
Passion so strong that it burns inside,
Too strong, for words.(Chorus)
I know this world is cold,
I'll take good care of you,
I'll spend my whole life,
Just to see it through.
So if you need a man who'll dedicate his life to you,
Say no more, say no more.And when your hope is gone,
It's hard to carry on,
I'll be your best friend,
You can depend on,
So if you need a love that will be there and will be true,
Say no more, say no more.(Verse 2)
Your love is so real,
The way it makes me feel,
My body trembles inside, and I get all weak in the knees.You make me believe,
That there's no ending to this dream,
Let's take our love and sail away to our fantasies.(Pre-Chorus)
We'll travel this journey with so much emotion.
Nothing will ever come between us.
Your beauty's a maze, I always get lost in.
I want to discover what's hidden in your soul.
All my life.(Chorus)There's no where I'd rather be than beside you,
Watching you sleep at night.
Caressing your body, holding you tightly,
Passion so strong that it burns inside,
Too strong, for words.(Chorus out) x 2
