

# Fire for You

## Cannons

was on fire for you  
Where did you go?  
I couldâ€™ve died for you  
How could you not know

I was alive with you  
But you brought in the cold

Was I being lied to?  
Wish I never met you  
Startin to regret you

My heart just dropped  
Thinkin about you  
My heart just stops  
When Iâ€™m without you

I was on fire for you

I was on fire for you

I was on fire for you  
You breakin me down

Donâ€™t know what I should do  
When you come around

Iâ€™m leavin wirhout you love  
I have no choice  
I know Iâ€™m being lied to  
I just need some time to  
Stop thinking about you

My heart just dropped  
Thinkin about you  
My heart just stops  
When Iâ€™m without you  
My heart just dropped  
Thinkin about you  
My heart just stops

When Iâ€™m without you

I was on fire for you

I was on fire for you

I was on fire for you

I was on fire for you

I was on fire for you
