Sometimes

The Stranglers

Someday I'm going to smack your face
Someday I'm going to smack your face
Somebody's going to call your bluff
Somebody's going to treat you rough
Sometimes there is only one way out
I've got to fight

Sometimes I get to feel so mean
Sometimes I get to feel so mean
Sometimes you look like you're too clean
Sometimes I see the in-between
Sometimes only one way
I've got to fight

You're way past your station
Beat you honey till you drop

You're way past your station
It's useless asking you to stop
I got morbid fascination
Beat you honey till you drop

Sometimes you're going to get some stick
Sometimes you're going to get some stick
Somebody's standing in our way
Somebody's gonna have to pay
Sometimes there is only one way
I've got to fight
