

# Sister (3:25)

## The Black Keys

Wake up  
I'm gonna wake up to nothing  
Break up  
The break up is coming  
When you're heart is hollow  
Another pill to swallowShake up  
Gotta shake up you're freezin'  
Make up  
I'm gonna make up my reasonsI used to say I need you  
But now I gotta leave youSister, sister what did they do to you  
Sister, sister what did they do to you  
Did they take, they tried to break  
Very hard, very long  
It's so wrongHung up  
Got me hung up in draft  
Rung up  
Got me rung up in bedThey took advantage of  
The one who showed you loveSister, sister what did they do to you  
Sister, sister what did they do to you  
Did they take, they tried to break  
Very hard, very long  
It's so wrong  
So wrong  
So long
