

Tear Down These Walls

Billy Ocean

Tear down these walls
Tear down these walls
Tear down these walls
 Its gotta be all
 Or nothing
 She's the girl
 Always dreaming of
 She's in my memory
I would love to keep her in a castle
 Where I am king
 She's the queen
I want to show you
 What love can do
 I'm no casanova
Just want to get next to you
 Tear down these walls
 It's gotta be all
 Or nothing
 Tear it down
 Tear it down
 I can tell
That you could change your mind
 And start to think of us
 I could be
 Your knight in shining armour
In a tower of love I want to show you
 Love that is true
 I'm no Casanova
Just want to get next to you
 Tear down these walls
 It's gotta be all
 Or nothing
 Tear it down
 Tear it down
 Forever in love
 We would be together
Don't shatter my dreams
I need a little bit of love
 Don't close the door

Don't drop this bomb on me

Tear down these walls

Gotta be all

Or nothing

Tear it down

Tear it down
