

Armenia City in the Sky

Petra Haden

Monday, Tuesday, Wednesday, Thursday
Friday, Saturday, SundayIf you're troubled and you can't relax
Close your eyes and think on this
If the room exploding in your head all turn to facts
Close your eyes and think on this[Chorus]
Armenia, city in the sky
Armenia, city in the skyIf you ever want to lose some time
Just take off, there's no risk
If you ever want to disappear
Just take off and think of this[Chorus]The sky is glass, the sea is brown
And everyone is upside-down[Chorus]
