

Hoodoo (Symphonic Orchestra)

Muse

Come into my life

Rgress into a dream

We will hide and build a new reality

Draw another picture of the life you could have had

Follow your instincts and choose the other pathYou should never be afraid

You're protected from trouble and pain

Why?

Why is this a crisis in your eyes again?Come to be?

How did it come to be?

Tied to a railroad, no love to set us free

Watch our souls fade away and our bodies crumbling

Don't be afraid

I will take the blow for you

I've had recurring nightmares that I was loved for who I am

And missed the opportunity to be a better man
