

# No Gift

## Tamar Braxton

Hurry, it's Christmas Eve.  
Does Santa have what I need?  
In his sleigh, oh I can't wait  
Hear me, games out angel  
Will it be the one that I know?  
Wrapped in a bow, oh I hope so. There's gifts that shine  
Gifts that wind  
One so big that it just can't be mine  
Everything [?] is here except just for one thing. Under the tree there's a million things  
From toys for the children to diamond rings  
Everyone's smiling, outside is snow  
I'd rather be under the mistletoe  
It's you and me.  
You would think I wouldn't want anything  
But to tell the truth  
That won't do  
Cause no gift compares to you. Sun rise, today is the day  
Will he be waiting for me?  
With good cheer, I been good all year  
I'll be so filled with joy  
Once I hear his voice  
Santa please get it right  
Or Christmas will see me cry. There's gifts that shine  
Gifts that wind  
One so big that it just can't be mine  
Everything is here except just for one thing. Under the tree (Under the tree) there's a million things (Million things)  
From toys for the children to diamond rings (Ohh)  
Everyone's smiling, outside is snow  
I'd rather be (Under the) under the mistletoe (Under mistletoe)  
It's you and me.  
You would think I wouldn't want anything (Want anything)  
But to tell the truth  
That won't do (That won't do)  
Cause no gift compares (No gift compares to you) to you. The silent night  
Wouldn't be right  
If I don't have my baby by my side  
If there was anything  
I would do anything

He's all I need  
Any old gift won't suffice if you're not here tonight  
Under the tree there's a million things  
From toys for the children to diamond rings  
Everyone's smiling, outside is snow  
I'd rather be under the mistletoe  
With you and me.  
You would think I wouldn't want anything  
But to tell the truth  
It won't do (That won't do)  
Cause no gift compares (No gift compares to you) to  
You-oo
