Skin To Bone

SKIN TO BONE
[V1]Skin to bone/Steel to rust
Ash to ashes/Dust to dust
Let tomorrow have it's way
With the promises we made
Skin to bone/Steel to rust
Ash to ashes/Dust to dust
Your deception/My disgust
When your name is finally drawn
I'll be happy that you're gone
Ash to ashes dust to dust
[Chorus]Uh-uh-uh
Ash to ashes/Dust to dust
Uh-uh-uh
Skin to bone and steel to rust

[v2]Right to left/Left to right
Night to day/And day to night
As the skylight fades to gray
I'll be watching far away
Right to left/And left to right
[Chorus]Uh-uh-uh
Ash to ashes/Dust to dust
Uh-uh-uh
Skin to bone and steel to rust
[V3]Let tomorrow have it's way
With the promises betrayed
Skin to bone/And steel to rust
Skin to bone/And steel to rust
Skin to bone/And steel to rust...
