Sweetest Sin

Rude Vinyl

Ohh, yea
Can you imagine us makin' love?
The way it feel the first time that we touch
Can you think of it the way I dream of it
I want you to see it like I'm seein' it
It's a picture of perfection
The vision of you and I
Your lips upon my lips
Can you just picture this?
Your fingertips on my fingertips
Your skin upon my skin
Would be the sweetest sin
That would be the sweetest sin
Yea
All night I lay awake
'Cause it's too much to take
Dreamin' about the love that we can make
All day I think of schemes
To get you next to me
I want you so bad that I can barely breath
It's a sign of my obsession
That I can't stop thinkin' 'bout
Your lips upon my lips
Can you just picture this?
Your fingertips on my fingertips
Your skin upon my skin
Would be the sweetest sin
Would be the sweetest sin
Yea
You are a sweetest sin
Your lips upon my lips
Can you envision it
Temptation I could never resist
Your skin upon my skin
Ohh
Would be the sweetest sin
Baby yea
Would be the sweetest sin
It would feel so good

To be so bad
You don't know
How bad I want that
I would do anything to feel your
Your lips upon my lips
Can you just picture this?
Your fingertips on my fingertips
Your skin upon my skin
Would be the sweetest sin yea
You are the sweetest sin
Would be the sweetest sin
Your lips upon my lips
Your fingertips on my fingertips
Your skin upon my skin
Would be the sweetest sin
