

# Sonic Boom

Roy Woods

1: 45AM, almost done I could pop another pill tonight  
Even though I don't really want one  
The Xanax got me on a flight  
I don't need much  
I just want to get a buzz from the blunt  
Sipping berry cheer on my own  
I just want to wyln' with this  
Shawty outside getting high while I do that shit on my own  
Know I'm top 5 for the week and the night  
On the billboards dressing her on her own  
I drink alcohol in the fall and the summer  
Or winter time cold, my beer ice cold  
She ain't outdoors and her heart just cold as is  
As is, as is,  
She ain't outdoors and her heart just cold as is  
As is, as is,  
She ain't outdoors and her heart just cold as is  
As is, as is,  
She ain't outdoors and her heart just cold as is  
As is, as is, Oh  
Yeah  
Oh  
Yeah And her heart just cold as is  
As is, as is,  
I don't want much, I just need your love  
As is, as is, as is, as is, as is  
Baby I'm trying to respond  
I need it a lot  
But now you call  
As is, as is  
Baby I am falling  
Away from you
