Anything Goes

Keith Sweat

Anything goes
That's right
Come onI got to see you in that sexy thong
(Yeah)
I'm kinda tipsy and I'm feeling strong
(Ha, ha)
And I'm a stick it to ya all night long
(All night long, all night long)
(Yep, yep, yep, yep, yep)Girl, I know just how to wet it up
(Eww)
Take my lovin' and just feel you up
(Ha, yeah)
Basically I just don't want a crush
(Want a crush, want a crush)When you step in my room
(Anything goes)
And I'm all up on you
(Anything goes)
To the edge of the bed
(Anything goes)
(Anything goes, anything goes)Like a night up in Vegas
(Anything goes)
Like them girls that be shakin'
(Anything goes)
Like them pimps that come playin'
(Anything goes)
(Anything goes, anything goes)Girl, you know I aim to please
And I'll make you weak at the knees
(Oh, yeah)
Got all the tricks from A to Z
You'll be at your girl's spot talkin' all about meGirl, I got that whip appeal
And I'll heat it up just like a meal
Girl, keep you open, give you chills
You know I'm gifted, I got skillsWhen you step in my room
(Anything goes)
And I'm all up on you
(Anything goes)
To the edge of the bed
(Anything goes)
(Anything goes, anything goes)Like a night up in Vegas

(Anything goes)
(Anything goes, ohh)
Like them girls that be shakin'
(Anything goes)
Like them pimps that come playin'
(Anything goes)
(Anything goes, anything goes)When you step in my room
(Anything goes)
And I'm all up on you
(Anything goes)
(You and me, girl)
To the edge of the bed
(Anything goes)
(Anything goes, anything goes)
(Whew, yes it does)Like a night up in Vegas
(Anything goes)
(Ohh, yes it does)
Like them girls that be shakin'
(Anything goes)
Like them pimps that come playin'
(Anything goes)
(Anything goes, anything goes)Like a fire place, got ya burnin' up
Like a bully, girl, I'ma beat it up
Like a picture frame, got you on the wall
Screamin' out for more, screamin' out for moreLike a boxer, girl, I'm a knock it out
Like a preacher, girl, I'm a make you shout
From your draws to your legs, from your legs to your ass
I'll be freakin' you, I'll be freakin' youWhen you step in my room
(Anything goes)
And I'm all up on you
(Anything goes)
To the edge of the bed
(Anything goes
(Anything goes, anything goes)
(Aw, yes it does)Like a night up in Vegas
(Anything goes)
Like them girls that be shakin'
(Anything goes)
(Anything goes)
Like them pimps that come playin'
(Anything goes
(Anything goes, anything goes)When you step in my room
(Anything goes)
And I'm all up on you
(Anything goes)

(Aw, yes it does)
To the edge of the bed
(Anything goes)
(Anything goes, anything goes)Like a night up in Vegas
(Anything goes)
Like them girls that be shakin'
(Anything goes)
Like them pimps that come playin'
(Anything goes)
(Anything goes, anything goes)(Anything goes)
I told you that anything goes
(Anything goes)
(Anything goes, anything goes, anything goes)Oh, yeah
(Anything goes)
Aw, yes it does
(Anything goes)
Yes it does
(Anything goes)
Anything goes
(Anything goes)
(Anything goes, anything goes)
