

No Getting Off Easy

[Tim Chaisson](#)

Did you ever love me baby,
Or was it just a show
Iâ€™ve been going crazy,
Was I the last to know?
Your friends all tried to warn me,
Youâ€™ve done this many times before
?Didnâ€™t I love you baby??Gave you everything you need,
What makes you think itâ€™s ok,
To walk all over me,
Then keep on walking baby,
Did you think Iâ€™d never catch up
Youâ€™re not walking fast enoughâ€
?Thereâ€™s no getting off easy
And no excuses for the way that you treat me
Youâ€™ve gotta pay for it baby
Cause you break it, you buy it
This heart is not free
And I ainâ€™t leaving till I get
What you owe me
?You canâ€™t get away with cheating
Donâ€™t know why you think you can
Give me one good reason
I just donâ€™t understand
I came here for answers ?And Iâ€™ll wait forever, I donâ€™t care
Iâ€™m not going anywhere
