Counting the Beat

Swingers

Look at the sun rise,
look at it burn,
I look into your eyes,
don't know where to turn.

I'm going into that void,
I'm flying through space I'm an asteroid,
Time doesn't take place when you're paranoid,
I'm thinking about you and nothing else.

Thinkin' about you,
You thinking about me,
I think about you,
I'm counting the beat.

I'm thinking about you (Woo Woo)
You think about me (Woo Woo)
Thinking about just you and me,
La da da dee,
There ain't no place I'd rather be,

La da dee da La da dee da
La da dee da da da dee da
La da dee da La da dee da
La da dee da da da dee da
La da dee da La da dee da
La da dee da da da dee da

Oh, oh, oh, oh, oh,
I'm bleeding to death,
On the count of this day,
3 4 5 beat,
Won't seem to play.

I'm counting the beat 2 3 4 5,
I'm felling the heat,
Kept me alive,
I'm counting the beat 6 7 8 9,
I'm wishing that you,
That you were mine,

Think about you,
You think about me,
Think about you,
I'm counting the beat.

I'm thinking about you (Woo Woo)
You thinking about me (Woo Woo)
Thinkin' about you,
Thinkin' about me,
Thinkin' about you,
Thinking about just you and me,
La da da dee,
There ain't no place I'd rather be,

La da dee da La da dee da
La da dee da da da dee da
La da dee da La da dee da
La da dee da da da dee da
La da dee da La da dee da
La da dee da da da dee da
La da dee da La da dee da
La da dee da da da dee da
La da dee da La da dee da
La da dee da da da dee da
