New Order

Who saw those dark eyes?
Who saw those dark eyes?
These years gone by
Deep withinBurn my skin
All those years gone by
In the heat of the night
All those years gone byWho felt those cold hands?
Who felt those cold hands?
Touch my skin
Deep withinBurn my soul
Fell to the ground where I was found
All those years ago
All those years ago
All those years agoEverybody makes mistakes
Everybody makes mistakes
Even me
Just be freeThis is a place where in the end
It happens in our world within
Time to go
Time to go
