

Please Don't Touch (feat. Motörhead)

Girlschool

Well there ain't no other woman
that can make me feel this way
Gets up close you know, I just ain't got a word to
say Please don't touch
I shake so much
Please don't touch
I shake so much Well I get so nervous when I see his eyes that shine
Gets too close and a chill runs down my spine
Please don't touch
I shake so much
Please don't touch
I shake so much I don't know why she's got her claws in me
'Cause I ain't fighting baby, can't you see
Sneaking up the stairway, running like a thief
Spend the night shaking like a leaf
Oh I remember the first time I took her to a cheap
motel
Well I woke up drunk, you know I felt like Eskimo
Nell
Please don't touch
I shake so much
Please don't touch
I shake so much
