

# Lonesome Cowgirl

[Randy Meisner](#)

A. Brackett and J. Merrill Well, I was feelin' kind of down  
So I rode into town  
Straight to the old song dance hall  
Well, the place, it was packed  
So I squeezed in the back  
I couldn't see the band playing at all Then I said, "Who's that  
Underneath that Stetson hat?  
Where did she come from?" Oh, lonesome cowgirl  
Look what I can do  
I can rope, I can ride  
I can brand hides  
Even do a trick or two"  
Well, she was standin' by herself  
Like a doll on a shelf  
Lookin' kind of sad and lonely  
Then she scared me half to death  
Made me lose my breath  
When she walked up to me real slowly We had a beer  
I said, "Let's get out of here"  
She said, "Do you like to ride?" "Woah, lonesome cowgirl  
Look what I can do  
I can rope, I can ride  
I can brand hides  
Even do a trick or two" We had a beer  
I said, "Let's get out of here"  
She said, "Do you like to ride?"  
"Woah, lonesome cowgirl  
Look what I can do  
I can rope, I can ride  
I can brand hides  
Even do a trick or two" "Woah, lonesome cowgirl  
Look what I can do  
I can rope, I can ride  
I can brand hides  
Even fall in love with you"
